Examiner's Reasons for Allowance

1. Examiner has considered Appellant's brief dated 06/01/2004 and after further review of Applicant's comments, Examiner is withdrawing previous rejection and per Appellant's arguments is placing claims 1 – 39 in condition for allowance.

The following is an Examiner's statement of reasons for allowance, as pointed out in Appellant's appeal brief on page 6 of 21.

The prior art of record does not teach or fairly suggest the limitations as a whole or in combination:

“...determining whether a version of the installer program is incorrect with respect to the update; responsive to the version of the installer program being incorrect, updating the installer program from files in the update; and installing the update in the program with the updated installer program”, as best illustrated by figure 4 and in such a manner as recited in independent claims 1,10,19,28,32 &36 .

Therefore, all claims, i.e. claims 1 – 39 are in condition for allowance. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
